Important information

Before You Go - Registration

Now you're all set and booked for the holiday of a lifetime, we invite you to register for your trip by visiting: <https://my.trafalgar.com/>. Here you'll be able to share your travel preferences, which we will pass onto your Travel Director, to ensure you travel with complete ease.

IMPORTANT: On registration, please ensure that each travel member of your party completes the Travel Declaration.

In further preparation for your travels, we recommend that you read Trafalgar's Before You Travel information on <https://www.trafalgar.com/faq>, where you'll find advice with regards to packing, hotels, meals, Wi-Fi and more. We also encourage you to have a read through our COVID-19 FAQs.

Important Travel Requirements

Your well-being is our top priority, which is why we require that all guests travelling with us are fully vaccinated. Many of the countries we now travel to require the same and often only consider travellers 'fully vaccinated' when they have received a booster shot. As this is ever evolving and the acceptable duration of time following the initial COVID-19 vaccination varies across countries, it is important that you check the most recent entry requirements of your destination to ensure you are prepared for your journey ahead.

Aside from vaccination specifications, it is important to stay well-informed with any further travel restrictions and guidelines for the countries you wish to visit. A useful tool to help you stay up to date can be found at <https://www.trafalgar.com/coronavirus-travel-restrictions> here you simply select your passport and destination to view specific notes for your trip. As travel guidelines still tend to change quite frequently, it is best to check for the most current travel advice as you get closer to your departure, plus enquire with the airline you will be travelling with, as to any regulations and guidelines they have for boarding and access to your flight.

In some destinations, venues such as restaurants and museums still require guests to provide proof of vaccination, therefore please remember to travel with a copy of your vaccination card, (we recommend saving a picture on your smartphone as a backup option), but please also be aware that certain destinations may require you to fill out additional forms online and provide an electronic version of proof of vaccination.

COVID-19 Testing

During your trip and for your return home there could still be different testing requirements. It is your responsibility to become familiar with these for your return home, or of that required for further travel arrangements after the trip. Again, we advise you to also check your airline's COVID-19 rules and restrictions.

Our Travel Directors and Well-Being Directors will be able to support you in making a booking for a test. You will need to let them know what type of test you require, for example an antigen test or a PCR test, and the timeframe in which you require. You will likely need to have access to an email address to receive the test results. Testing arrangements are made through independent third-party suppliers and therefore we cannot be held liable for any costs incurred due to wrong documentation or the results not being returned in time.

Well-Being on Trip

We are all adapting to our new world as we travel again and in 2022 still following through on the additional hygiene precautions we successfully implemented on our trips last year. The well-being of our guests and team has always been, and always will be, our top priority. For groups of 21 or more, your dedicated Well-Being Director will take a proactive approach to your welfare and dedicate their attention to your well-being while travelling. Visit <https://www.trafalgargar.com/your-wellbeing-is-our-priority> frequently updated with the latest well-being and hygiene information to give you peace of mind. Travel with us, safe in the knowledge that you will have access to a 24/7 support team.

Please remember to pack any personal protective equipment including medical face masks and preferred hand sanitizer. We recommend too that you check with your airline before flying as to their specifications with regards to face masks. Thank you for following through on all well-being guidelines and requests from our professional staff once you are vacationing with us.

Luggage Allowance

Due to the weight and space capacity of the coach, this is restricted to one large suitcase per person not exceeding 50 pounds (23kg) in weight and 30" x 18" x 10" (76cm x 45cm x 25cm) in dimension. Hotel portorage of this baggage is included in the trip price. Hand luggage should be one piece per person and should be limited in size so as to fit under your coach seat or in the small overhead shelf. These are the responsibility of each trip member and should be carried on/off the coach with you. *Please note that luggage with adjustable handle and wheels will not fit in the overhead compartments and will not be accepted as carry-on luggage.*

Passport & Visa Information

Please ensure your passport is valid for at least six months beyond the conclusion of your trip and that all necessary visas and permits for the trip have been acquired. Multiple-entry visas may be required if you are entering a country more than once on your vacation.

If you require assistance with visas, please do check with your travel agent or contact the nearest Embassy or Consulate of the countries you will be visiting.

During your trip

Your Experiences, Sites and Venues

As the world continues to reopen, certain sites or venues may be required to unexpectedly close temporarily and with minimal notice which is outside of our control. If this should occur, as your destination experts, rest assured your on-road team (Travel Director, Well-Being Director and Driver) are prepared to adapt to and manage such scenarios.

Optional Experiences

Your trip already includes a host of wonderful inclusions, however, we have passionately curated a selection of Optional Experiences to further personalise your trip. These can be booked through your Travel Director/Local Host at the commencement and during your trip. Cash, Visa, Mastercard and American Express are all accepted. Do remember to advise your credit card provider that you will be travelling abroad before leaving home. Children 15 and under are entitled to a 25% discount on all European-operated experiences (*some Eastern Mediterranean trips excluded*).

Many Optional Experiences are operated by independent third party suppliers. Occasionally these experiences involve outdoor activities and/or can be physically demanding. You should make your own decisions about these experiences and only participate in activities that you feel are suited to your own physical ability. We recommend you check that the insurance you have taken out also includes your participation in any adventure activities you may/will undertake during your overall trip. **Please Note:** Some Optional Experiences may operate on an alternative day to that shown on the itinerary; your Travel Director will confirm full details when you join the trip. Optional Experiences offered are dependent on both the weather and number of participants.

In our new world, as with included sites and venues, owing to new COVID-19 guidelines and restrictions, we could find some of our Optional Experiences affected with temporary and unexpected closure or amendments and changes to content. Rest assured we will always secure suitable alternatives for choice in your free time and in rare cases we could incur amendments in pricing and your Travel Director will keep you fully informed at all times.

Group Photos

We at The Travel Corporation (TTC) take the data privacy of our travellers and guests very seriously and are committed to abiding by the associated governing laws. Please be notified that from time to time our Travel Directors may organize group photo opportunities as part of your trip experience. Such photos may be shared to our company social media channels such as Facebook, Instagram, Twitter or LinkedIn. We will not share the image with anyone for any use other than for company promotion. Please remove yourself from the group photos organized by the Travel Director if you choose not to participate.

Seat Rotation

A daily seat rotation policy guarantees that everyone gets to enjoy the great views, while travelling head and shoulders above the other traffic.

Air-Conditioning at Hotels

You will have the comfort of air-conditioning on the coach and also at most museums, restaurants and hotels. It's important to mention, however, that the strength of the air-conditioning may not be what you are used to and that some small family-owned venues and older, historic hotels may not have air-conditioning. In these circumstances the hotel may provide a portable fan or air-conditioning unit. At some hotels the period and hours of operation for air-conditioning are at their control rather than being manually controlled by you; this is often so they comply with fuel saving requirements.

Christmas and New Year Closures

Sites and museums mentioned in this itinerary may be affected by public holidays and/or scheduled closures. Trips operating over the Christmas and New Year period are most likely to be affected by seasonal closures. Public transport will also be operating on a reduced service over the seasonal period.

MAKE TRAVEL MATTER®

Travel is an incredible gift; it has the ability to open our eyes to the unique cultures and spellbinding beauty of the natural world. But with this gift comes a responsibility – to protect the world as we know it. How We Tread Right is our 5-year sustainability strategy which addresses the impact we have on our planet, its people and wildlife, through 11 goals tied to the UN Global Goals. These goals impact our climate, food, waste, experiences, diversity and wildlife.

As part of this strategy, we are committed to eliminating as many unnecessary single-use plastics as possible from our operations. In 2019 we stopped the sale of plastic water bottles on our coaches instead encouraging guests to bring their own reusable water bottle. Throughout the day, there will be multiple rest stops allowing time for a bottle refill or beverage purchase. Your Travel Director will advise where the tap water is safe to drink, or where there is a refill station. This small effort will have a major impact on reducing our footprint. Thank you for choosing to travel with us, bringing your reusable bottle, and joining us on the mission to MAKE TRAVEL MATTER®. To learn more about ways you can make an impact with us visit <https://impact.treadright.org/>

Gratuities

We are confident that by the end of the trip you will have come to appreciate the important part your Travel Director, Well-Being Director, Driver and Local Specialists have played in its smooth running. If you are satisfied with their services, you may wish to express this satisfaction with a gratuity as is customary on escorted trips throughout the world. Many guests ask for guidance in this area; we would advise that an average gratuity for your Travel Director would be EUR 5 per person per day; for your Well-Being Director EUR 3 per person per day and Driver EUR 3 per person per day and for the Local Specialist EUR 1-2 per person for the service provided.

**A Well-Being Director will only be on trips with 21 or more travelling guests.*

Departure To London's Heathrow Airport

If you have purchased an airport transfer, your Travel Director will advise you of the pick up time from your Trafalgar London hotel for your transfer to London's Heathrow Airport. Alternatively, liaise with your London Local Host or call our European Guest Services team on +44 (0) 207 620 8900.

Guest Surveys

Towards the end of your trip, you will be emailed a brief electronic survey. We would be grateful if you could take a moment to complete it. This will help us to identify how well we performed and how we can fulfil your future travel needs.

Are there any luggage restrictions?

Your luggage allocation is one suitcase to the maximum weight of 23kg (50lbs) and the dimensions of 76cm x 46cm x 25cm (30" x 18" x 10"). You can also bring one item of hand luggage that is small and light enough to be carried onto the coach and fit underneath the seat, or in the small overhead compartment above (luggage with adjustable handles and wheels will not fit). Baggage allowances also vary from airline to airline and you should also check with your chosen carrier for details prior to travel.

Porterage:
It's your trip and we are committed to your ease and comfort, and so porterage is included for your luggage throughout the trip (**one item per person**), meaning that you only have to bring your hand luggage on and off the coach each day. From the minute you arrive, you can travel hassle free. You will be given a red luggage tag on pick up that will help with identification and security of your bag. From airport arrival to each hotel stay, your luggage will be loaded on and off the coach and delivered directly to your room leaving you more time to enjoy! We do suggest that you pack toiletries and any personal items you may want immediately on arrival at each stop in your hand baggage so they are instantly available.

Introducing myself, Mimi Greger as your Trafalgar Travel Director for the forthcoming European Dream.

Looking forward to meeting you on 11 July and

Welcome you to Rome.

HERE'S WHAT'S HAPPENING ON **MONDAY 11 JULY**

Airport transfers will depart from Leonardo da Vinci (FCO) airport at 09.30, 12.30 and 15.30. I will be in the Lobby to meet arrivals.

For those arriving earlier, come and say hello!

I will also introduce to our Well Being Director, Samuel.

Departures :

5.00pm depart for the Orientation Drive as a start of our Roman Highlights.

6.30-7.00pm we have our Welcome Reception and Dinner in the Hotel.

You are going to be so proud of yourselves to see what you can accomplish in Rome and the following days; we use our time wisely.

(For those, who maybe arriving before the tour starts, to avoid any duplication of your time, I shall list some suggestions below.)

Tuesday, 12 July Itinerary for Rome: Christian and Ancient Rome includes St Peter's Basilica (Vatican) and views of the Coliseum and Ancient Rome (Italy)

The following Optional Experiences will be offered to complement the included tour, with more in-depth visits as shown on page 9 of your Trafalgar Guide. *Please note that dress code for St Peter's Basilica and the Pantheon requires covered shoulders and knees.

INSIDE THE VATICAN & COLISEUM, we are booked to skip the lines at both. Be transported from the Art Masterpieces of the Art World to the skills of the Gladiators, with our Local Specialist. €89

PIAZZAS AND FOUNTAINS, in the late afternoon, our local Specialist will lead you through typical Roman narrow streets with history in each footstep!

The Trevi Fountain will enjoy your coins, marvel at the Pantheon with 2000 years of stories and discover the great fountains of Piazza Navona. €37 *Time then for the local restaurants for dinner (not included)

SOME MIMI SUGGESTIONS FOR EARLY ARRIVALS

Walking where our Coach cannot enter!!

These do not duplicate our programme at all.

Always check the opening times as afternoons are challenging;

-Piazza del Popolo

with its vistas. Visit the church, Santa Maria del Popolo with painting by Caravaggio and other famous Renaissance Masters. Eat 'al fresco' at the choice of restaurants nearby.

-Piazza Venezia

is ideal for the Capitoline Hill and its statues, Archaeological Museum, and set back, views of the Forum.

-Visit the major monument dedicated to the Unification of Italy, the Vittorio Emanuel Monument. Some Views from the rooftop are possible.

- Ideal crossroads for shopping and many restaurants.

- Piazza della Repubblica with the Fountain of the Naiads with, in the background, the Basilica of Santa Maria degli Angeli e dei Martiri, designed by Michelangelo, built on land of the former ancient baths.

Maps available on line.

Hotels

On **"days of departure"** please ensure your luggage is outside your bedroom door 60 minutes before our departure time.

"Rub off or wash away" any chalk marks from your luggage when it is delivered to your room, to avoid confusion at the next hotel.

Do not remove the **"TT identification number"** stuck on the TT Luggage Tag.

The baggage allowance for collection by the porter is **"one piece of luggage per person"**. **Hand luggage per** is your responsibility and for your security and safety, please **avoid** bringing to the Breakfast Room or leaving in the Lobby unattended.

Although morning calls are provided by the Hotel Reception, **"use of your own alarm clock"** is recommended just to be sure.

If using **"telephone calling cards"** from a hotel with a free call facility, always check with the Reception that there is no service charge.

Should you have any **"extras to pay"** such a min-bar, laundry, bar or telephone charges, please settle these with the cashier before Breakfast, to avoid delays at departure time.

"Check your rooms" thoroughly before leaving. Forgotten items in hotels cannot be easily retrieved and any expenses associated with this are your own responsibility.

Your Security

You should always have **"your Passport"** or a copy with you at all times as well as your **"Hotel Contact List"**, in the event of a mishap.

"Only carry what is essential" for the day. All other valuables should be locked away Hotel safe. It is highly recommended to keep a list of **"Credit Card and Airline ticket numbers"** as well as any other valuable documents.

"Tipping In Hotels" for the Porters and Waiters is taken care of by your Travel Director. Refer to your Itinerary for guidance to Tipping individually in respect to Local Experts and your TT Staff.

Coach Life

A **"Safety and Security Procedure"** will be presented shortly after beginning your trip.

"Smoking" is not allowed on the coach. Many countries now practise **"No Smoking"** in their Buildings too.

Show consideration for your fellow travellers, please **"do not consume your own food"** on the coach.

Only use the **"onboard toilet"**, in an emergency situation.

"Bottled Water" with screw tops is allowed, but is to be taken with you whenever you disembark to avoid spillage.

For **"getting on and off the coach"** if sitting in front of middle door, please use the front door, otherwise use the middle door. **"Seat Rotation"** will enable you to move around the coach and make new buddies. We rotate in a clockwise direction missing a seat **DAILY**
